ATTENDED FUNERAL.

The cost of an attended funeral is calculated by adding together the following (A+B+C+D+E)

A. PROFESSIONAL SERVICES : £1655.00

Fees charged for the arrangement and completion of funeral services, which includes the following: 24 hour service. Funeral arranger to provide immediate support and continuity of care, to make suitable funeral arrangements in our office, at your family home or over the telephone. Administration of the funeral including all necessary paperwork. Making arrangements on your behalf with the necessary authorities and clergy/officiants, including payment of their fees (known as disbursements). Care of your loved one at 48 Duke Street until the day of the funeral. Receipt and care of Floral Tributes. Use of our facilities until the funeral and viewing arrangements in our Private Chapel of Rest as requested during normal working hours. Dressing of deceased in own clothes or funeral robe as required. Setting up of online Memory Giving page for donations if required. On the day of the funeral, provision of a funeral conductor and four bearers. **No additional charges if the funeral service and committal are held in separate venues (within 20 running miles limit)**
